SPECIFICATION & STANDARD EQUIPMENT PRODUCT SHEET DISCLAIMER: Every effort has been made to ensure that the information on this document is correct and up to date. However, Whitley Marine Group Pty Ltd ACN 6279 33635 ("Whitley") does not provide any warranty as to the completeness or accuracy of the information and subject to applicable laws, does not accept any liability for damages of any kind resulting from the access or use of this content. This document & information is produced as a guide only.

* The height and length on trailer measurement, can be reduced or lowered upon request, for example, a swing away draw bar option is available to reduce the overall length, please talk to your local dealer for more information. Measurements supplied are to be used as a guide only, to confirm measurements before making a purchase decision based upon these measurements, consult your Authorized Whitley Dealer or Whitley Factory Sales Representative. These measurements supplied are only to act as a guide and may vary from time to time.

** Dry towing weight is an approximate guide and is a best-case scenario, this may vary and is the approximate base package weight with no options. The addition of factory supplied options, will increase the total BMT package weight, consult your Authorized Whitley Dealer or Whitley Factory Sales Representative for more information regarding towing weights and post purchase consult your owner's manual.
